

# Transparent Armor & Impact Resistant Glass

Transparent Armor & Impact Resistant laminated glass for Maritime, Land Combat, and Architectural Applications.

Specializing in rapid delivery times on custom applications

- Automated Glass Cutting
- Automated Lamination Line
- Waterjet

## Technology

- NIJ, EN 1063, STANAG 4569, UL 752 and ATPD 2352 ballistic solutions
- Heated glass for ice removal
- Black band capability
- Gemini Armor for multi-hit protection
- Advanced materials for weight reduction.

## Quality

- Use of edge seal for improved environmental durability
- Adhere to AS9100 standards

Specification	Design No	Thickness		Weight
		(mm)	(in)	(psf)
NIJ 0108.01 IIIA	TAS-11-002	22	0.87	10
NIJ 0108.01 III	TAS-11-003	41	1.61	19
NIJ 0108.01 IV	TAS-11-004	55	2.17	25.7
EN 1063 BR2	TAS-11-006	18	0.71	7.6
EN 1063 BR3	TAS-11-007	19.5	0.77	7.8
EN 1063 BR4	TAS-11-008	22	0.87	10
EN 1063 BR5	TAS-11-009	35	1.38	15.4
EN 1063 BR6	TAS-11-003	41	1.61	19
EN 1063 BR7	TAS-11-005	73	2.87	31
